SPRING MATTRASS

This Spring Bed costs, with a Mattrass, but a trifle more than the common Spring Beds, with out a Mattrass, with ten times the clasticity; and the springs are so fastened that they cannot get out of order. The opinion is justly prevalent Dr Allcott says of this style of spring bed in his "Home book of Health." page 931 .- "As to cause they are soft, but for other reasons - more soffness would be a recommendation. It is on this account, more than any other, that I pref r the clastic wire bed so lately come into fashion. It secures all the advantages of feathers without their disadvantages. It allows the whole body to This bed can be bought of the manufacturer at wholesale or retail.
